January 2008

Dear Prospective Parents, Grandparents and/or Guardians,

I thank you for taking the time to inquire into the programs offered at the Urban Choice Charter School. Enclosed you will find an application for enrollment (1 page). Please be sure to identify the grade you are applying for, which may differ from the grade in which your child is currently enrolled. Upon completion of the application, you may mail the original form to 545 Humboldt Street, Rochester, New York 14610, c/o Deborah Mack. ***If you completed an application and were placed on the wait list during the 2007-2008 academic year, you must still complete this application; applications do not rollover annually.***

Applications are accepted between January 2, 2008 and February 29, 2008. The Urban Choice Charter School will use a non-partisan third party firm to conduct the lottery process. The lottery will identify the children who will have the first right of refusal for any available enrollment positions. Please note: we are expecting very limited availability in Grades 1-7. Families with children who are identified as siblings (brothers and/or sisters residing at the same residence) will receive first preference. Children residing within the political borders of the City of Rochester will receive preference over children from outside these boundaries.

I appreciate your interest in and support of our efforts to ***redefine urban education*** for our children in the City of Rochester. If selected via the lottery, you will be contacted to schedule an appointment to complete all necessary paperwork. Please continue to follow our progress on the internet at www.urbanchoicecharter.org.

Sincerely,

Mr. Brian D. Schmidt
